Dear Sir:

This is a summary of the Examiner interview of July 22, 2008, between Examiner Taylor Victor Oh and Applicant's representatives. This summary is being filed within one month of the July 22, 2008 date of the Examiner Interview (Form PTOL-413) and thus is timely filed.

Applicants' representatives and the Examiner discussed the claim rejections in the outstanding Office Action. The Examiner suggested that amending independent claim 6 to include proper Markush language for the identity of the catalyst would put the claims in condition for allowance.
